

Blended Learning Road Map

Summer 2023

Review MS Teams Structure

Performance Management

NQTs & ECTs

Continued Staff CPD

Staff to become 'life-long learners'

Constantly update knowledge and skills

Staff meetings, inset, MEC courses, webinars

Write & Plan New Implementation Plans (3 Years)

Review the current plan and restructure the strategy for next 3 years

Gamification for Engagement

Gamify aspects of lessons and assessment – Kahoot, Padlet, Bounce etc.

Specialist Teaching SEND / Disadvantaged & 1 to 1 Devices for every child

Multi-Media Hubs in every school

Multi-media suites to replace IT rooms

Digital devices to be in classrooms, hubs to contain robots, drones, Spheros, 3D printers etc.

STEM Projects – Drones, 3D Printers etc

Teachers to plan cross curricular lessons and embrace/embed technology

All schools to be MS Showcase Schools

Every school in the Trust to become a MS Showcase school. Trust hub of excellence

All Teacher – MIE Experts

Every teacher to become a MIE Expert

Renew this status every year

New staff to gain status within the first year of being employed by the school

Autumn 2022

Review Budgets, Devices and Infrastructure

Blended Learning Road Map

Summer 2022

- Review digital devices and equipment
- Review Tech Team – support and capacity

Review & Improve Blended Learning

Monitor and review lesson structure and design

Summer Holiday Catch Up – Online Lessons

- Co-lab – Virtual School
- Face to face tuition

Joint School Projects

Specialist teachers to teach in the afternoon in every school

Release time for teachers

Assessment Tools and Impact

- Use paper and digital assessment tools
- MS Forms/Audio Tool/Flipgrid

Aligning Curriculum - Project & Problem-based Learning

Adapt the curriculum – move to a Trust curriculum to allow for across school lessons and projects

Planning Structures and Lesson Design (Hyper Docs & UbD)

Teachers to adapt lesson design using digital devices which will allow personalised and differentiated learning

Online Lessons – Filming Project

Some staff to be released to produce live and pre-recorded lessons to be used in schools across the Trust

Parent Workshops & Training for E-safety

Workshops about GDPR, setting device permissions, understanding online risks, explain knowledge vs wisdom

Autumn 2021

Parent Workshops & Training - Teams

Timetable of face to face and online parent workshops for the year

Blended Learning Road Map

Summer 2021

Review Technical Support Team, expand the capacity if possible.

The Team needs to have the capacity to support teachers and parents

Review Strategy and Vision

Remote Learning

Synchronous and asynchronous lessons.

See additional infographic

Intervention or lock-down scenarios

BLC / IT Leads

Teach Computing, MIE Training, E-safety – SWGfL

To MIE Experts by Summer 2021

Safeguarding & E-safety

Consider all stakeholders:

Staff, children, parents & the local community

Infrastructure & Broadband

Budgets, Forecasts & Grants

2020 – 2021 Phase 1

Review Digital Devices Annually

Calculate how many new devices are required for following year

Calculate replacement devices and equipment costs

Digital Devices from DfE, BYOD & Donated

Monitor donations and thank community on social media

Offer BYOD to families – send out letter and protocols

Staff CPD & Training

Knowledge of Office 365 Account and Apps, MEC courses, staff meetings and webinars.

Learning Platform & Structure

Consistent Microsoft class Team structure. Every class needs to same structure for ease of navigation.

Autumn 2020 – Strategy & Vision

3 to 5 Year Implementation Plan

An action plan for each year to monitor impact
